

To the SDK Dental family,

It is with the greatest pleasure that I write to introduce myself and express my gratitude and excitement at having the opportunity to provide dental services for you and your family.

I am Dr. Yuchen Hu, and I am passionate about helping my patients improve their health and giving them a wonderful pain free smile. I am excited at the chance to provide you with dentistry that is caring, comforting and personalized.

I am a graduate of the University Of Pennsylvania School Of Dental Medicine. Over the years I have worked at a wide variety of practices in the Midwest. I met my wife, Jessie, in Dallas, and we moved to the Seattle area to be closer to family. We love the rain, the mountains, and the hiking of the Pacific Northwest and quickly decided that this is where we wanted to stay and begin a family.

Over the next few weeks I will be working closely alongside Dr. Kim to ensure that we maintain the office's personal and professional standards in care. Rest assured, you will be receiving the same great care that you have come to expect at SDK Dental Care.

I am so excited to meet you all soon. I have enclosed a gift for you and your family. Please see below for a coupon; \$150 off treatment for new patients.

Sincerely,

Yuchen Hu, DMD
